

Performance Chemical Company is one of the Permian Basin's most experienced and proven independent oilfield service companies.

We currently have the following career opportunities available at our Midland, TX location:

Delivery Driver – Class A CDL/Hazmat Endorsement

The ideal candidate should have at a minimal 6 months of oilfield driving experience dealing with DOT HazMat. Candidate will need to be clean shaven, have a clean driving record, and able to operate a laptop. PCC offers a competitive pay based on experience level and performance. If you are looking for a career and not just a temporary job, if you are looking for a safe and stable work environment, if you would like to put in the hours and be home every night, please contact us immediately.

Interviews will be conducted in person at our Midland, TX location by scheduled appointments only.

Performance Chemical Company offers:

Competitive Wages
Unrivalled Training Programs
Annual Merit & Bonus Programs
Medical, Dental, Vision and Life Insurance
401(K) Retirement Plan
